

Fort Worth Stockyards Horse and Mule Barns – 2021 Texas Society of Architects Design Award Recipient

Project Designer – Fort Worth

With studios in both Fort Worth and Dallas, Bennett Partners focuses on creating thoughtful, well-designed and well-built award-winning spaces in the public and private sector. At the core of our practice is the idea of partnership: Partnership with our clients, our community and our diverse and talented staff. We believe in the power of design to create a positive difference in the communities where we work. To learn more about the firm, please visit us at bennett.partners.

We are currently looking for an enthusiastic and forward-thinking project designer to work with our design principal in our Fort Worth studio. Ideal candidates will have a passion and curiosity for architecture, a strong sense of good design and a commitment to sustainability. Passion for architecture and urban planning and curiosity for continuing to learn. Commitment to excellence in design, sustainability and community. Attention and appreciation to detail in crafting presentation materials and building systems.

Job Description

- Research the history of project sites and their surrounding context along with appropriate project precedents.
- Work directly with design principal and other design staff to interpret and develop conceptual ideas and sketches into schematic design presentations for a wide variety of project types.
- Produce architectural renderings and illustrative building and site plans.
- Collaborate with other design professionals to interpret schematic designs in the construction document and construction phases of the projects.
- Research zoning and building codes, building systems, materials and site requirements.
- Present design and planning concepts to clients and other governing bodies.

Requirements

- Three years of relevant work experience
- Professional Degree in Architecture
- Possess exceptional organizational skills and capable of simultaneously supporting multiple projects and priorities
- Advanced computer modeling, graphic and rendering skills
- Proficient in AutoCAD, SketchUp, Photoshop, InDesign, ArcGIS, Rendering software and Microsoft Office

Benefits

- Fully paid employee Health Insurance.
- Bennett Partners offers a 401K plan as a retirement vehicle with a discretionary employer match.
- Participation in our firm's ESOP (Employee Stock Ownership Plan) which allows you to receive stock in the firm each year at no expense to you
- Paid vacation, Paid Time Off (PTO) and Paid Holidays annually.
- Paid Basic Life insurance equal to your annual salary
- Paid Vision and Dental Insurance
- Paid Long-term disability insurance.
- \$145 monthly paid parking or transportation reimbursement.
- Professional development program.
- Participation in the firm's bonus program.

Application

To apply, please send your resume and either a link to your portfolio or a PDF copy to 'Careers@Bennett.Partners, with the heading 'Project Designer.' We will acknowledge receipt and contact you for next steps.
